The image shows a document cover page for a physics investigation. At the top, there is a small illustration of a person in a blue uniform playing a stringed instrument. Below this, the title of the investigation is visible: "Investigating the relationship between the frequency and amplitude of a wave on a string". A large, dark blue rectangular box with the word "PDF" in white is overlaid on the right side of the page. The bottom part of the page shows a graph with a wave oscillating on a horizontal axis, and a person standing next to it, possibly representing the experimenter or the instrument.

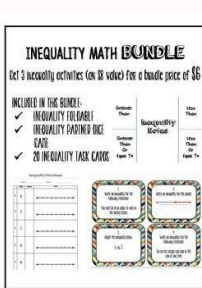

This image shows a document page with a large, dark blue rectangular box containing the word "PDF" in white. The text on the page is mostly illegible due to the low resolution and the watermark. There are some faint lines of text visible, but they are not readable.

The image shows a screenshot of the 'Questionbank' website interface. At the top, there is a search bar and several filter options. The main section displays a list of physics topics, including:

- Topic 1: Measurements and uncertainties
- Topic 2: Mechanics
- Topic 3: Thermal physics
- Topic 4: Waves
- Topic 5: Electricity and magnetism
- Topic 6: Atomic, nuclear and particle physics

There are also options for 'Additional higher level (AHL)' and 'Question type'.

This image shows a small, low-resolution document page with a large, dark blue rectangular box containing the word "PDF" in white. The text on the page is illegible.
